Long distance relationships can and do work! Check out the list of great resources I've assembled to help you succeed in your long distance relationship. Fellow LDR couples say, "You know you're in a long distance romance if..."

- No fighting over the remote... you each have your own! You know your mailman on a first name basis Your new three favorite words are: "You've got mail." Need some space?
You've got it! Abstinence is the most effective method of birth control You have a frequent-flyer accounts with all major airlines. You're a wiz at computing your lover's time zone.

You know how to translate 24-hour time. (Plane tickets can be in 24-hour time, especially international; you know that 1755 is 5:55pm without even having to think about it.) You're on a first-name basis with the cashier at the airport coffee shop. You can talk on the phone for hours without getting a crick in your neck.

After talking on the phone for hours in bed, you can time it so you hang up the phone seconds before falling asleep. Shapely right calf muscle from driving long distances.

Keep smiling - your long distance relationship will last...there are plenty of resources here to help you stay close to your long distance lover! My clients love my classic book - The Long Distance Romance Guide. I've now included it in my Relationship Success Kit for Long Distance Lovers. I hope you'll love it too!
